INTERVIEW SUMMARY

Sir:

Applicants thank Examiner Chevalier for her courtesy in two telephone interviews with the undersigned, on July 12, 2006 and again on November 2, 2006. On both those dates, the "Notice of Non-Compliant Amendment" mailed June 28, 2006 was discussed. The Notice indicated that the amendment filed April 18, 2006, "appears to be missing claims 23-32." Agreement was reached that the Notice was in error. The amendment of April 18, 2006 clearly canceled claims 23-37, as indicated in the Patent and Trademark Office record on page 6 in the

copy of the amendment on PAIR. Thus, the amendment complies with 37 CFR § 1.121, and the Notice was issued in error.

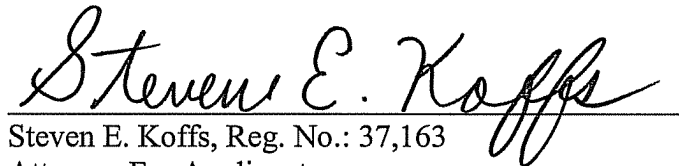

In the interview of July 12, the Examiner indicated that the Notice of Non-Compliant Amendment would be withdrawn and an Official Action would follow. The undersigned called the Examiner again on November 2, 2006. The Examiner again indicated that the Notice of Non-Compliant Amendment would be withdrawn and an Official Action would follow.

Applicants request that the Notice of Non-Compliant Amendment be withdrawn as soon as possible, as agreed upon in both interviews with the Examiner.

The Commissioner for Patents is hereby authorized to charge any additional fees or credit any excess payment that may be associated with this communication to deposit account **04-1679**.

Respectfully submitted,

Dated: 12-7-06
